CONNECT WITH AUTODESK EXPERTS AT AUTODESK DEVCON 2023

ENGAGE WITH AUTODESK'S EXPERTISE

ProtoTech Solutions attended the Autodesk DevCon 2023 conference held in Munich, Germany. We got a chance to learn from the experts at Autodesk and gain insights into the latest industry trends and technological advancements. This meeting was a great platform for exchanging knowledge and ideas, which helped ProtoTech Solutions strengthen its partnership with Autodesk professionals. ProtoTech Solutions is committed to staying ahead of the curve and this experience has helped them to enhance their capabilities. We plan to use the knowledge gained at the conference to provide cutting-edge solutions to their clients worldwide.

CONNECT WITH 3D TECHNOLOGY EXPERTS AT 3DBODY.TECH CONFERENCE & EXPO

FUTURE OF DIGITAL ANTHROPOMETRY

ProtoTech Solutions had a groundbreaking Technical Session at the 3DBODY.TECH Conference & Expo in Lugano, Switzerland! Our session was all about Implementing an **Automated Solution for Digital Anthropometry using 3D Body Processing**. Dive into the world of cutting-edge technology as our **Rajesh Bhartiya** CEO & Founder of ProtoTech Solutions, leads the way in exploring the future of digital anthropometry. We had the privilege of meeting some truly great individuals who share our passion for cutting-edge technology and innovation.

OFFICE EXPANSION

WORKSPACE GROWS STRATEGICALLY

GROWING OUR WORKSPACE

ProtoTech Solutions embarks on an exciting office expansion, creating a dynamic workspace to foster innovation, collaboration, and growth. The enhanced environment reflects our commitment to excellence and the evolving needs of our dedicated team.

ProtoTech Solutions embarks on an exciting journey with its office expansion, reflecting a commitment to growth and innovation. The newly acquired space symbolizes not just physical expansion but also an amplified vision. This strategic move aligns with ProtoTech's goal of fostering a collaborative and dynamic work environment. The extended facilities will empower teams to explore new horizons, enhance productivity, and elevate the company's standing as a leader in technology solutions. The expansion underscores ProtoTech Solutions' dedication to cultivating a space that inspires creativity, teamwork, and excellence.

OUR STRATEGY

With a visionary approach, the company aims to create a collaborative workspace that fosters creativity and teamwork. The expansion aligns with ProtoTech's dedication to providing cutting-edge solutions, empowering its talented team to thrive in an environment designed for excellence. This strategic move reflects ProtoTech Solutions' forward-thinking mindset and positions them as a leader in the industry.

OUR CLIENTS

ProtoTech Solutions prioritizes client success, delivering tailored solutions with precision and innovation. Our clients trust us for cutting-edge technology, personalized service, and a commitment to exceeding expectations.

CLIENT SUCCESS STORIES: CUSTOMER FEEDBACK

"I want to take a moment to applaud the ProtoTech team for their outstanding problem-solving abilities. They are a true force of nature when it comes to tackling complex issues. It's inspiring to witness such diligent and skilful collaboration on a shared goal, transcending cultural boundaries and spanning thousands of miles."

*Brad Strong, Technical Communications Director /
TransMagic Inc.*

"The new Makersite add-on for Fusion 360 is a game changer in enabling designers to make high-confidence decisions on CO2 and costs in real-time, by leveraging sustainability insights within Autodesk Fusion 360's product design environment. Thanks to ProtoTech's expertise, we were able to implement this solution quickly and in a collaborative way with Makersite."

Zoé Bezpalko, Sr. Sustainability Strategy Manager / Autodesk

"ProtoTech's OBJ Exporter stands out for its seamless integration into the SolidWorks environment, providing a user-friendly experience. The ability to export SolidWorks models to OBJ format with just a few clicks has saved me valuable time and eliminated the complexities associated with other export methods."

Anton Kozyrev, Owner of Lightvision Media Group

CLIENT SUCCESS STORIES: CUSTOMER FEEDBACK

"ProtoTech went above and beyond our expectations! Their impressive technical expertise, proactive approach, and swift understanding of project requirements not only led to the project being completed well ahead of schedule but also allowed them to proactively address and resolve any potential challenges."

Ravikant Kamal, Co-founder & CTO, 3D Surgical

"For six years and counting, ProtoTech has been Roblox's extremely valuable quality assurance partner. The thorough and disciplined testing conducted by ProtoTech gives us great confidence that we are delivering high-quality product updates to our millions of users. We highly recommend ProtoTech's QA experts for software testing."

Tim Loduha, Senior Director / Roblox

"I liked the OBJ Exporter for AutoCAD plugin so much I bought it twice! That's how much I believe in the power of this amazing plugin. It's not just a tool; it's a game-changer that has transformed the way I work. If you want to take your productivity and creativity to the next level, this plugin is an absolute must-have."

Robert Howell, Visualization Manager, WGI
